

Company IMS Policy

To provide the most technically advanced, highest quality products in the market with the best support.

We believe that we will achieve our objectives by listening to our customers and continually improving all aspects of the business.

Advanced Electronics Limited believes environmental best practice and the management of business risks are fundamental to the success of the company.

Our quality and environmental management philosophies are fully integrated into our normal business practices. We maintain certification to both BS EN ISO 9001 and BS EN ISO 14001 standards in order to effectively manage our commitment to quality and the environment through meeting applicable legal and other requirements whilst preventing pollution.
